The Muskingum Story

is set among the bricks and trees.

Dogwood in the spring, the lake in the summer, the falling leaves of autumn, and the snow covered hill sides of winter are all a part of the setting for *The Muskingum Story*. In this setting students engage in academic, social, religious, and athletic activities.

The lake encompassed with foliage is a part of many memories.

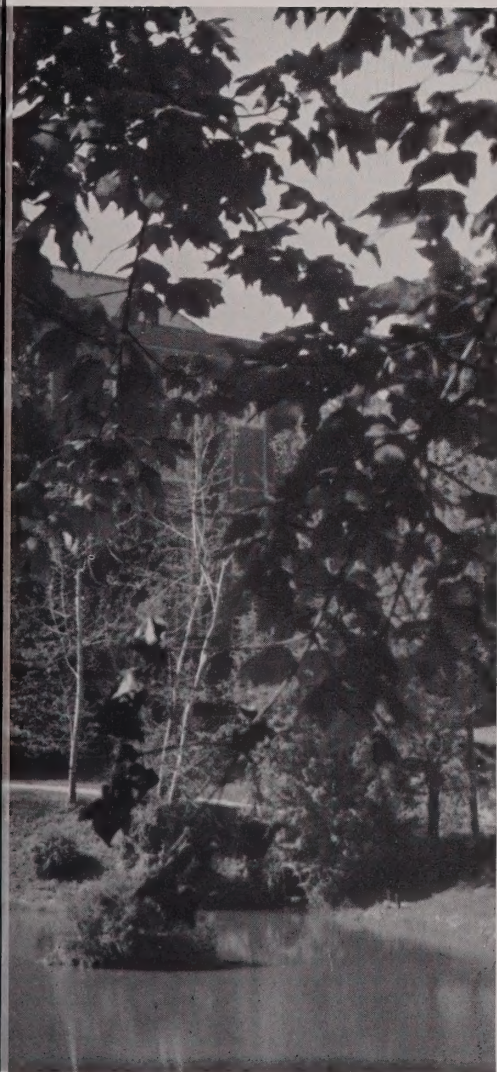

At Memorial Dormitory and Moore Hall the freshman men learned to live together.

Cambridge Hall is the seat of scientific learning.

The Lantern Parade, a YWCA activity, strengthens the ties between Big and Little Sisters.

It's the story of lives enriched by religious experiences . . .

The U.P. Fellowship members and officers rededicate themselves to a year of service.

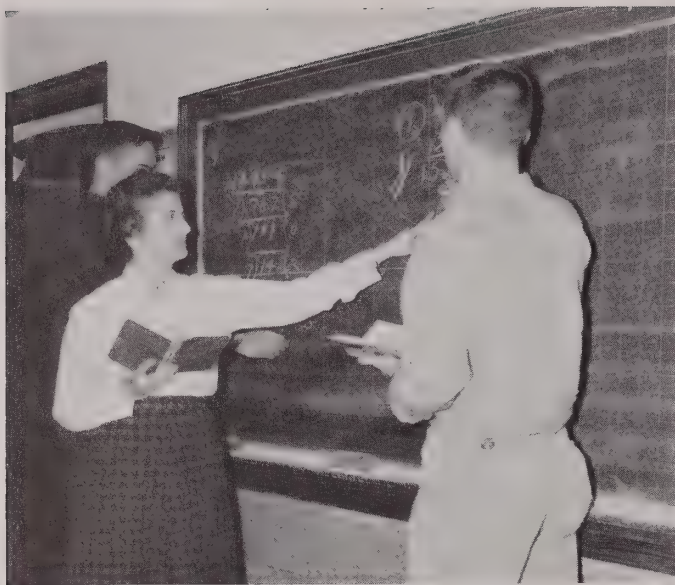

Life Service activities, such as gospel teams, prayer groups, and caravan teams, are another part of the religious activities at Muskingum.

Weekly Bible Study challenges beliefs and stimulates religious thinking.

In higher algebra class Mrs. Knight explains that 5 and 6 do not always equal eleven.

Student teaching in the kindergarten is part of the elementary education curriculum.

For music students practicing is a necessity.

Mr. Palmer gives his students an appreciation of the arts.

It's the story of minds stimulated by study . . .

Biology enables the student to gain an understanding of the physical body.

Homecoming 1958

Participants in Homecoming, 1958, will long remember this glorious weekend so successfully planned by co-chairmen Nancy Clarke and Don Pearson. Festivities were opened Friday evening with a pep rally honoring the queen and her attendants. Even an overcast Saturday afternoon did not dampen the spirits of those who cheered the Muskies to victory over Wooster. Announcement of prizes came at half-time. Following the theme, "Lingering Lines," the Kona and Stag Clubs placed first in the float division, while the F. A. D. and Alban Clubs first in the house decorations. The dance Saturday evening was a thrilling climax to a marvelous weekend.

Winter Formal

"Something Wonderful" took place in the Men's Gym on January 9 from nine to twelve o'clock. Muskingum's Winter Formal, one of the biggest events of the year, was sponsored by the All-College Committee and held under the capable supervision of Susan Wright and Marty Runkle.

The dance decorations created a lovely ball room illusion with painted eighteenth century portraits, beautiful draperies, and live pine trees. A swirling silver ball spun from the ceiling reflecting many colored lights onto the dance floor and creating a mystical background for couples who danced to music by the "Ohians."

White programs were given as keepsakes.

"Something Wonderful" was an evening that no one will forget.

Sejuna 1958

A touch of Roman romance was brought the Men's Gym by Sejuna 1958. Upon entering the "Villa De Pompey" we found ourselves in a Roman garden where tall, white columns surrounded a throne. Beautiful pink cherry trees grew beside a bubbling fountain and potted palms hid smiling couples.

Many painted murals gave us a peek into the "Villa De Pompey" where a fashionable ball was being given. The students in our garden danced on a smooth mosaic floor to the music of Dan Belloc and his orchestra.

The girls each received white leather program trimmed in gold to be kept as a remembrance.

Soon the magic garden of the "Villa De Pompey" drifted away with only a memory of the tribute to the seniors.

Patty Jo Davidson and Bud Cosby are to be complimented on their supervision of Sejuna.

Sophomore Dance

"Tropical Paradise" was the theme chosen by the co-chairmen Marlene Randall and Wade Smith for the sophomore dance. On October 10 the women's gym was decorated on one wall with a large mural painting of a tropical sunset. The orange rays of the sun illuminated the queen's throne which was surrounded by tropical vines. Refreshments were served to the couples during the intermission as a vocal soloist and a vocal quartet provided entertainment. The large attendance gave unspoken proof of the success of the dance.

Freshman Dance

"Hearts and Hexes" was the very appropriate title given to this year's Freshman Dance held on Friday, February 13, in the Women's Gym.

Sponsored by the freshman class for the entire college, the dance was ably carried out under the direction of Estelle Murray and Dave Cunningham, co-chairmen. Highlights of the evening included the crowning of the freshman queen and her attendants along with the announcement of the freshman class officers for second semester. The couples danced to the music of Glenn Sheridan's band. A wonderful evening was enjoyed by everyone.

Freshman Counselors

"Do unto others . . ." might well be the motto of the freshman counselors. Under the able leadership of co-ordinating counselors, Barry Gotham, Marvin Gray, and Ken Sharp, it was the counselors' responsibility to live with the freshmen, to help them adjust to the college environment and to assist them in finding their place in the student life of Muskingum. The women were chosen from the junior class, and the men from both the junior and senior classes.

Student Council

Officers: Marion Miller, treasurer; Sam Speck, vice-president; James Foust, vice-president; Joann Van Gorder, secretary.

Muskingum's Student Council, under the leadership of its president, Sam Speck, has played an important role in college affairs during the past year. Meeting every other Wednesday in Brown Lounge, council members discussed campus problems and planned activities in the best interests of the student body. Student Council had charge of all student elections, chose the cheerleaders, encouraged pep rallies through its school spirit committee, and sponsored a migration to the Muskingum-Denison football game. The other officers of the student government were vice-president, Jim Foust; secretary, Marilyn Link; and treasurer, Marion Miller.

Community Council

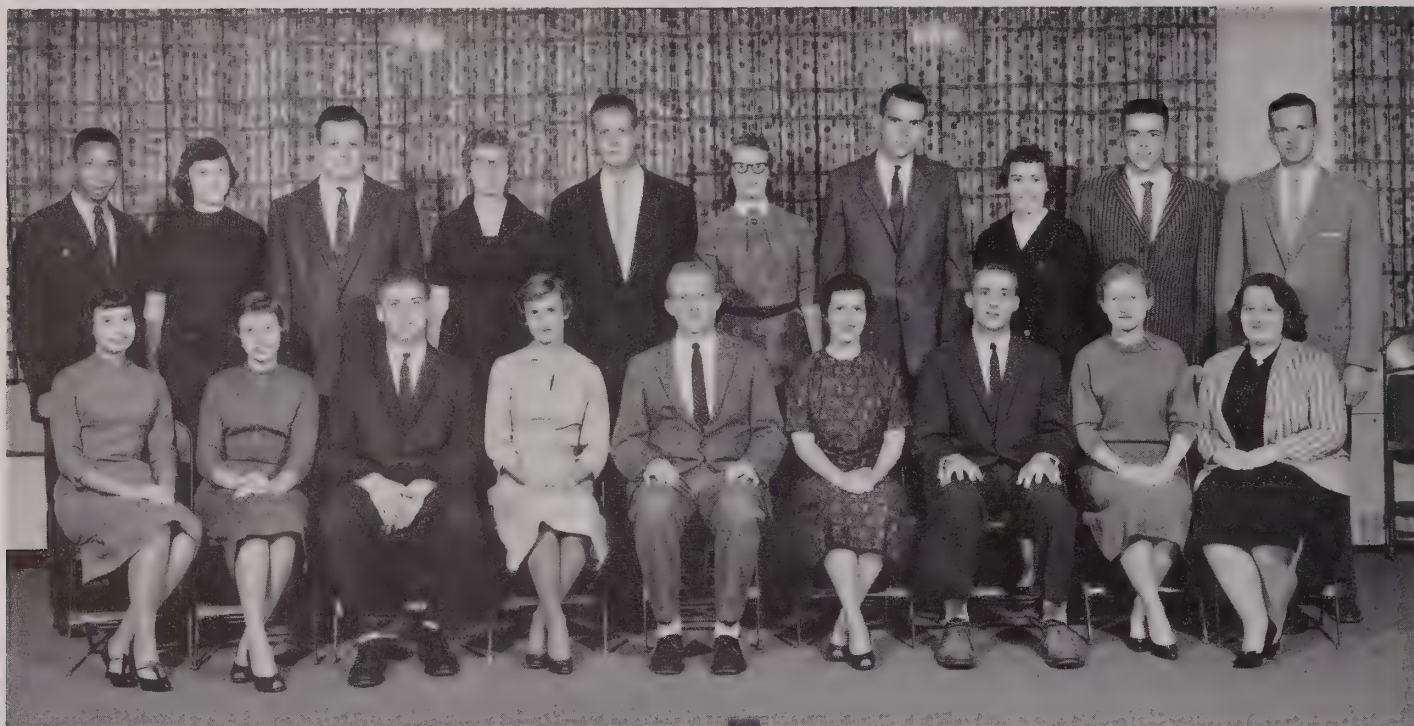

Sam Speck conducts a Student Forum.

The Community Council is a service organization whose major purpose is to promote better relationship and understanding of problems concerning both the faculty and the college community. It's membership includes the vice-president of the college, the Dean of Students, and the entire Student Council. Dr. Glenn McConagha, vice-president, serves as the moderator. The major responsibilities of the council are the management of the Student Chest Budget and the election of faculty members to B & M Board of Control.

Social Committee

Social Committee sponsored open kitchens.

With the leadership of the Social Committee, the students of Muskingum enjoyed a year of well-planned social events and activities. Each week the committee met to discuss and plan the various activities which were held throughout the year. The committee sponsored such events as the Winter Formal, Open Lounges, Open Kitchens, all-college movies, and informal dances.

Representatives from each social club, an independent student, two faculty advisers, the Deans of Men and Women, and members from other campus organizations made up the membership. Hal Shaver, Ann Henry, and Bob Snyder were elected respectively as the committee's president, secretary, and treasurer.

A. W. S.

The purpose of the Association of Women Students is to unite the activities of the women of Muskingum College in their effort to promote and maintain the highest standards of intellectual and social life. They hope to develop a feeling of mutual responsibility in the regulation of their life at Muskingum.

The membership includes all women on campus. The A.W.S. Board consists of executive officers and representatives from campus-living centers and campus organizations. The officers were Chris Henderson, president; Barbara Palmatier, Secretary; and Carole Kelso, Treasurer.

During the school year the A.W.S. Board organizes coffee hours and fort exchanges as well as sponsoring the Lantern Parade in September, Spinster Week in October, the Christmas Bazaar, and Senior Women's Week in May.

This year six members attended a regional convention in November at Denison University. The board sent two officers to the National Convention at Arizona State University in March.

In the fall a bake sale was held to provide money to send several girls to the convention.

Y. W. C. A.

The Y.W.C.A. plays a great role in the religious life of the women students at Muskingum. It encourages a better life through an understanding of God. Under the leadership of Sunny Mugnani, president, the group not only offered weekly programs and activities but its functions extended to district, state, and regional organizations where ideas are exchanged with students from other colleges. Throughout the year, the Y.W.C.A. sponsored the Big and Little Sister activities which included the Friendly Blaze, the Lantern Parade, the Pink Tea, and Rose Sunday. As a joint activity the Y.W.C.A. and the Y.M.C.A. sponsored the World University Service drive, and Spiritual Emphasis Week.

The boys are cheerleaders and the girls are football players for an evening of fun at the "Powder Puff" football game during W. U. S. Week.

Y. M. C. A.

The Y.M.C.A. motto, "If God be with us, who can be against us," formed the basis of the Y's activities. The Y was important in orienting Muskingum's men to the practical implications of the Gospel through an educational, social, spiritual, and recreational program. In its weekly meetings the Y presented a wide variety of programs relating to world problems and the relevance that Christianity has for their solution. The Y.M.C.A. played an important part in campus activities including sponsoring the World University Service Drive, Spiritual Emphasis Week, and other programs. The Y attempted to bring students and faculty together in a single creative approach to our world today in a Christian fellowship and purpose.

Life Service

Life Service is a religious organization composed of students who wish to further Christ's teachings. They do this through gospel-teams, week-end caravan teams, and week-end work camps. The gospel teams assist in the services of various surrounding churches on Sabbath mornings. The week-end caravan teams spend a week-end at a church in need of assistance. The week-end work camp aids a church not only spiritually, but also materially. The devotional group is beneficial to students on campus through its weekly Sunday morning meetings. In these ways each student has the opportunity to receive and give Christian service.

The Methodist and two United Presbyterian Churches on Muskingum's campus sponsor youth fellowship groups which meet on Sunday evenings. Here the students present programs which examine current problems of Christian living. Evening meals known as "Eater's Digests" are given. These provide a time for fellowship and fun before the programs.

The contribution of the fellowships to the activities of the campus is thus one of personal growth through Christian work and fellowship.

Muskingum Players

Under the leadership of Doug Marr, president; Hal Shaver, vice-president; Marjorie Miller, secretary; Wayne Lammie, treasurer; and Chris Bachofer, program chairman, the Muskingum Players brought the theater to the attention of Muskingum's campus. They presented three plays, emphasized National Theater Month by their displays in Montgomery Hall, and introduced a chapel speaker who cited the contributions of the theater. They also presented a Christmas chapel program. A picnic and a banquet were held during the year honoring the members of the "Muskie Players." Serving as their adviser during the year was Mrs. Arthur Sinclair.

Debate

The college debate team had a very busy season this year under the excellent guidance of their coach, Dr. James Golden. They attended a clinic at Oberlin College as well as many tournaments, including the state tournament at Capital University and the national Tau Kappa Alpha tournament at Rutgers University in New Brunswick, N.J. This year's topic was: "Resolved that the further development of nuclear weapons should be banned by international agreement."

Home Economics Club

The Home Economics Club is open to all students enrolled in Home Economics classes. It is affiliated with the American Home Economics Association as a member of the College Home Economics Clubs in Ohio. Under the leadership of the adviser, Mrs. Hazzard, and the president, Sue McCall, programs were set up which brought speakers to campus to speak about the latest fashions and the various fields of home economics. The functions of the club included a picnic in the fall, taking part in the A. W. S. Christmas bazaar, a Christmas dinner for the club members, and serving refreshments for various events on campus.

Members help with the Bake Sale.

A. C. E. I.

The purpose of A.C.E.I. is to foster growth and understanding in childhood development. This branch of the Association for Childhood Education International is open to all elementary education majors and other students interested in this field. As a project, the group visited the Cambridge Orphanage and entertained the children. Several of the girls represented this branch of A.C.E.I. at the national meetings. Under the leadership of Jo Boyd, president; Esther Nichols, vice-president; Betsy Twigg, secretary-treasurer; and Miss Barnett, adviser, the group carried out their aim to make the programs help broaden the girls' understanding of children and prepare the students for teaching.

The Black and Magenta

The Black and Magenta, the Muskingum College newspaper, was published for the students each week. The *B & M* informed students of interesting events at Muskingum.

Under the capable guidance of James Foust, editor, and Judy Williams, assistant editor, the *B & M* was a popular publication on campus. Art Marshall and Barry Montgomery, the business managers, were responsible for the financial transactions of the paper.

An interesting series of articles featuring well-known people of the community was started this year. Also seen for the first time was a column in which faculty members gave their views on subjects of student interest.

The Board of Control, headed by Clayton J. Kurman, set up and enforced the policies of the paper. The *B & M* provides a record of the year 1958-59 at Muskingum.

HONORARIES

Who's Who

A group of seniors were honored by being granted membership in Who's Who among Students in American universities and colleges. They were selected by a joint committee of faculty members representing each academic area appointed by the Dean of the College and students appointed by the president of the student body.

Entrance into this national organization signifies recognition of the senior's scholarship, participation and leadership in academic and extra-curricular activities, citizenship and service to the school, and promise of future usefulness.

Senior Women's Honorary

The Muskingum chapter of the Senior Women's Honorary was formed in 1939 and has as its purposes those of promoting leadership; nurturing and encouraging creativity; aiding in formulating progressive and wholesome public opinion on current problems; and observing campus conditions to the end that they may be improved, either directly or indirectly. The main project this year was discussions which concerned leadership and the problems which often arise therein.

O.O.O.O. is a local honorary fraternity established to recognize outstanding qualities of scholarship, leadership, and character in members of the junior class, senior class, and faculty. It recognizes the ideals, spirit, and tradition of Muskingum as important in the creating of an adequate personality; therefore, the organization strives to encourage these traditions and seeks a perspective of life that will develop able citizens of the world.

Cwens

Cwens is a sophomore girls' honorary based on scholarship, leadership, service, and character. These girls are easily reorganized by their identical outfits. They were seen busily hurrying about during Freshman Week as they served meals, helped at registration, and supervised tests. Selling hot dogs at the Homecoming game was only one of their many projects. On Ohio Synod Day they provided guided tours and registered people. This past year, they sent representatives to the Miami University Convention. The Cwens also held their annual Founders' Day Breakfast for the past and present Cwens. With the spring came also the Cwen feast welcoming in the new members. The co-advisers of this group are Mrs. Robert N. Montgomery and Mrs. Glenn McConagha. Miss Orr and Mrs. Layton are honorary members.

The Cwens served at the Freshman Reception at the Manse.

Phi Alpha Pi

Phi Alpha Pi, a local honorary group, was established in 1939 for sophomore men. The organization's purpose is to discuss local, national, and international problems, using whatever influence they can to solve difficulties particularly of a local nature. In an even more practical sense, the members assisted with many functions such as Freshman Week, High School Guest Day, and an after-game dance. New members are chosen for loyalty to the ideals for which Muskingum stands, an active interest in the welfare of the college, and scholarship. The officers for the year 1958-59 were Fred Bronkowsky, president, and Jed Middleton, secretary-treasurer. Advisers were Jim White and Dr. Fisk.

The members of Phi Alpha Pi held their meetings at Dr. Fisk's home.

The Beta Chi Club is the newest of Muskingum's social clubs. Founded in April 1958 by eighteen girls, the club now resides at 157 Montgomery Boulevard with their housemother Mrs. Aiken. The first task the girls undertook was to establish a constitution, goals, and standards. Their charter was granted at their dinner dance, the club's first social function. Since then they have adopted a crest, several songs, and a pin.

Despite its short existence, the Beta Chi blue and gray has already decorated many social functions. The Sadie Hawkins dance, Christmas Party, and Lounge Party will long be remembered as exciting events of the club's first social year.

"We pledge our love and our loyalty—through our college days." Our college days this year were pleasurable ones spent in fun and fellowship with our Delta sisters. Our Pegi Marshall made Homecoming a special event as she reigned as Homecoming Queen. In the fall there was the dinner for the fine football team and the annual Open House. Christmas time brought the fun-packed Christmas parties. Also included in our list of memorable occasions are the Chicken Box, the Lounge Party, and the Spring Formal. We must not forget the Sunday night suppers each week at the House on Bloomfield Road. These strengthened the ties of Delta sisterhood. These memories and more made this year another noteworthy one for us Deltas.

"F.A.D. where e'er we wander, we will cherish thee . . ." As we review this past year of club life, we glance quickly at activities and projects of the past year. In this year, the club's forty-fifth, we have experienced fun and fellowship as we have passed through functions of the club. The planning and work of our Homecoming committees resulted in our placing in both house and float decorations. It was made a more eventful occasion with Jane Furbay's serving as attendant to the queen.

Various occasions added to the good spirit of F.A.D. — teas, picnics, senior dinner. The Spring Formal at the Cambridge Country Club was the climax of a good year of club life. Indeed, this year has proved that we will remain a band of sisters, and we will keep our faith in F.A.D.

“Kianu, we’ve lost our hearts to you . . .” With this spirit of devotion to the ideals of their club, the members of the Kianu Club have enjoyed a successful year. Individually the members have held prominent positions as members and officers in the activity, athletic, and social organizations on campus and have been the recipients of many honors. As a club our social activities, ranging from a hayride in the fall to the formal in the spring, have given us memories of the many pleasant times we have had as we have been growing together in the spirit of Kianu.

"Let us sing our common ideals" sang the Kona's through another successful year. Homecoming found them proudly taking first prize in the float and second in the house competitions. By planning together, they pleased their alums even more at Christmas by redecorating the house. They put the finishing touches on the rose, brown, and turquoise motif by the Open House in January.

Besides the working together, the Kona's enjoyed the fun spirit of the Lounge Party, the traditional Dawn Party, the festive Christmas Party, and the more informal Sock Dance and Square Dance. The beauty of the annual Spring Formal crowned this year of togetherness found in "common ideals."

The Scarlet and Gray began its thirty-third year of campus existence this year 1958-1959. To start the year, the Albans found a wonderful housemother, Mrs. Sherman, who has served well this year as a counselor and friend. Homecoming time gave the Albans a boost as their house decorations won the Grand Prize. The fine leadership of the officers, the co-operation of the membership, and participation in campus affairs and organizations have kept the aims, ideals and unity of the Alban Club intact.

During 1958-59 the Men of Mace enjoyed another very successful year due to their capable leadership, cooperative spirit, and unified effort in all activities. This thirty-sixth year, the Mace Men again continued to hold prominent positions in athletics, scholarship, leadership, and other phases of campus life. The Mace won first place for their entry in the W.U.S. carnival and received prizes in both the house and float divisions for Homecoming decorations. The social calendar was quite varied ranging from the Country Party to the Moonlight Cruise on Buckeye Lake. With these and many other events behind them and high expectations for the future, the Men of Mace close a truly memorable year.

"To keep the name of Sphinx supreme" are the guiding words of the men of Sigma Phi Chi. Among the factors enabling them to accomplish this are their excellent leadership, the cooperation of the actives, and a well rounded, successful social program.

Every Sphinx man is proud of the choice he has made. The one word that can be considered the basis of their success is unity. Unity between the actives, the advisers, and the alumni — unity toward a common goal. The best outward manifestation of this is the ground-breaking for a new house which is scheduled for Homecoming 1959. This is but one of many reasons that the men of Sphinx eagerly await the future.

Treasurer Tom Vanderslice

As another very successful year of the Stag Club draws to a close, we see that the members have taken a very active part in activities such as intercollegiate and intermural athletics, debate, music, oratory, and dramatics. Factors such as outstanding leadership, our house mother, an abundance of social events, helpful alumni, and co-operative members have contributed to our lasting success. We welcome the approach of our Fiftieth Anniversary with the expectation that it will be another year to equal those of the past.

Recording Secretary Allen McCallum
Treasurer Clayton Kurman
Corresponding Secretary John Wills

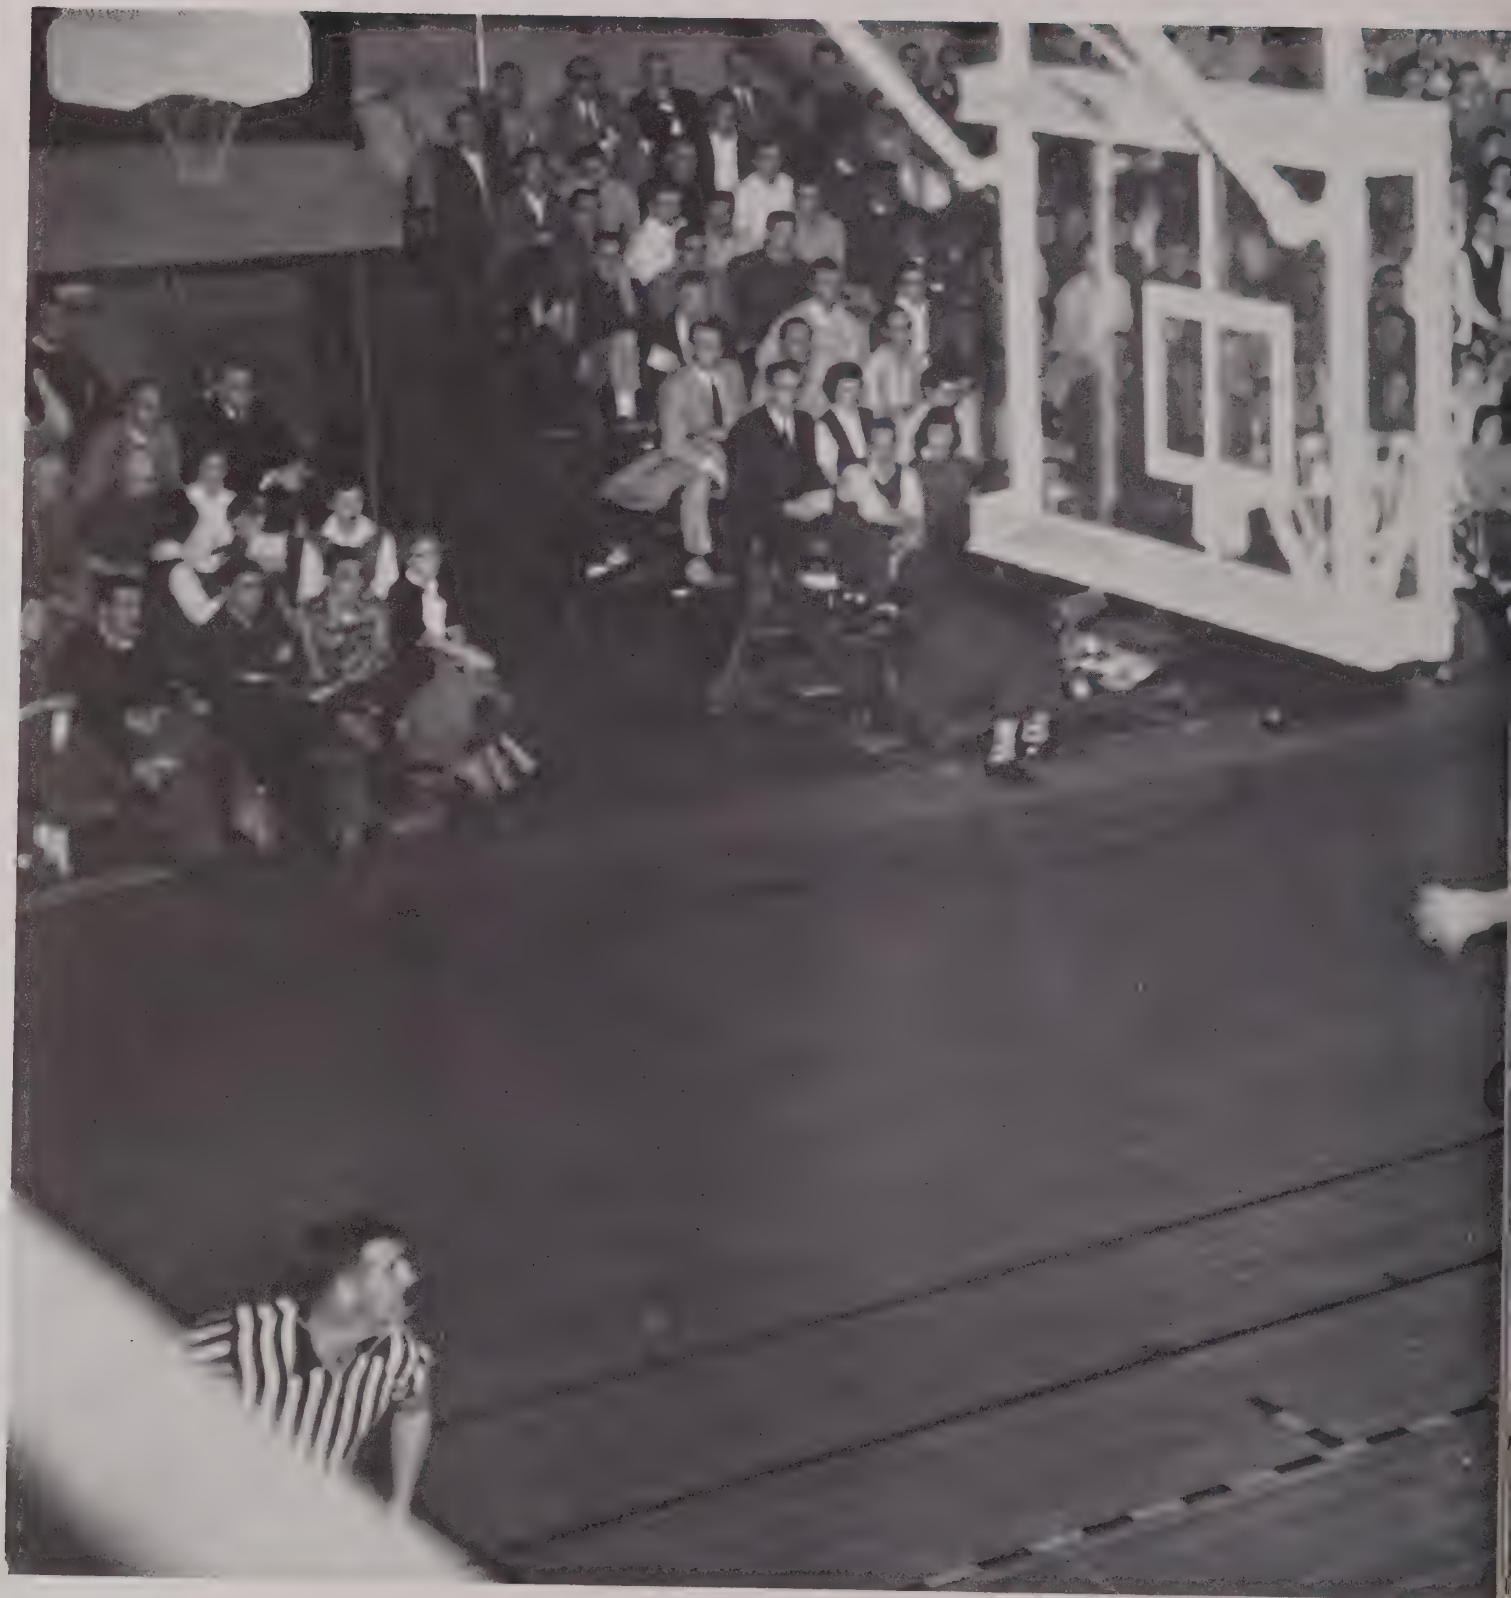

Since it is the youngest of the men's clubs, the history of the Ulster Club is relatively short. Yet all through that history is shown a consistent record of service and leadership in the college community. The club is now into its eleventh year and it has grown tremendously these eleven years. Basic to the beliefs of the founders was the idea that the club as a group must make itself responsible for the actions of the individual members. The club has emphasized scholarship, leadership, and versatility of all phases of campus life.

In accordance with these principles, the members take part in athletics, community government, forensics, music, social activities, religious organizations, and progressive movements in the community.

The Muskingum Story of SPORTS

Football

For the second consecutive year Muskingum College opened its football season against Geneva College. The highlights of this game were a Geneva fumble recovered by Terry Powell and a pass interception by Chuck Beach. Sophomore Cannonball Cooper scored both Muskie touchdowns. Cooper's second extra point attempt was good making the final score 13-7.

The new ruling on scoring extra points were responsible for the Muskies only loss of the season. Muskingum led Akron until late in the fourth quarter when the Zips staged a determined 99 yard drive for their lone tally. Gambling for two points the Akronites hit pay dirt and won by an 8-7 score.

Retaliating after the loss to Akron, the Muskies defeated traditional rival Denison for the first time since 1955. The many Muskies, who migrated to Granville to see the team dominate play throughout the game and win by a 33-15 score, saw what was perhaps the best play of the season.

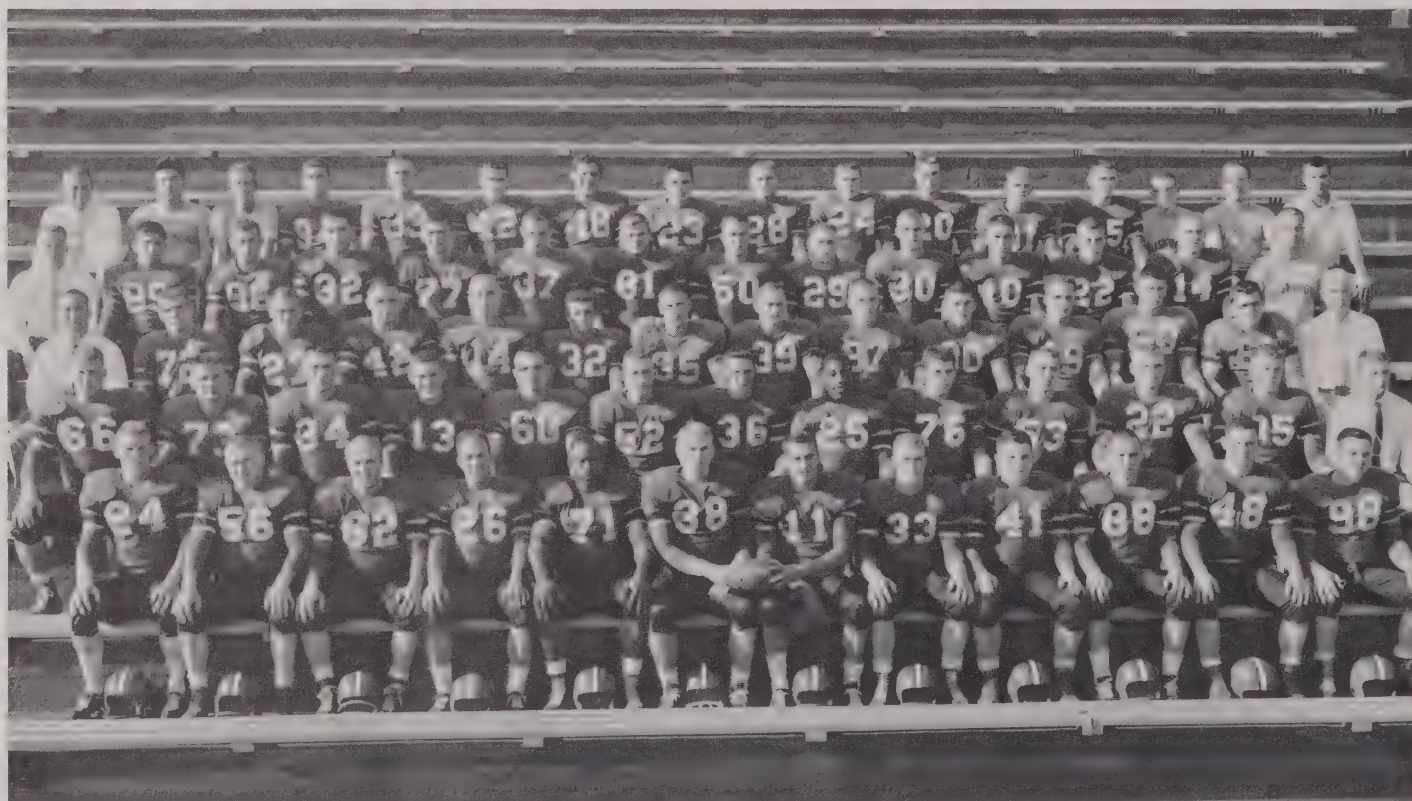

After a slow start Muskingum finally turned the Findlay game into a complete rout. Cooper scored thirty-two points as Muskingum branded the Oilers their first loss of the season, 48-15.

Bill Cooper and Coach Sherman admire trophy presented to Cooper as outstanding back in the Ohio Conference.

The fighting Muskies had little trouble handing Capital a 35-6 defeat at Columbus. After stopping the Lutheran's touchdown bid on their first series of plays the Muskies were in complete charge of the game. Capital scored only once and this was set up by a penalty and pass play.

Another away game, this time at Heidelberg, found the Muskingum bench strength the deciding factor. Although the first half was scoreless, the Muskie machine jelled in the second half to down the Student Princes 22-0.

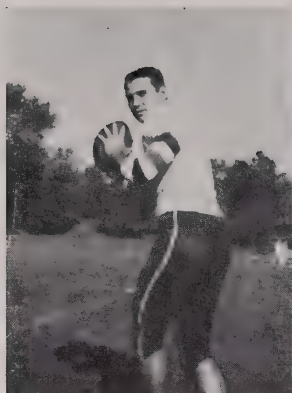

Homecoming was very successful as Muskingum defeated the Scots of Wooster 34-0 in a hard fought and exciting game. Wooster threatened to score several times but the Muskingum defense stopped all drives short of pay dirt.

The 31-16 victory over Marietta College marked a lineman as potential backfield material. Guard Larry Davis intercepted a pass and carried the ball twenty-five yards for one of the touchdowns. Muskingum was never in serious trouble although the Pioneers scored all of their points in the last four minutes.

The final game at Mount Union proved to be one of the most exciting of the season. The first half ended with the Muskies leading 7-6. The second half was scoreless but Muskingum defense was given a thorough work out.

The Muskies finished the 1958-1959 football campaign with eight victories and only one defeat. The ruling on the extra point attempts proved to be the downfall of this determined Muskingum team in the loss to Akron, and proved successful to Wittenberg as they clinched the Ohio Conference championship with a 7-6 victory over Ohio Wesleyan. However the 6-1 conference mark earned second place in the fourteen team conference.

Four Muskingum players were honored for their contributions to this successful team. Senior Dave Myers was named honorary captain. Bill Cooper and Barry Montgomery were named to the conference first team, while Bill Frazier was named to the second team. Many additional Muskies received honorable mention. To climax this season, Bill Cooper, received the Mike Gregory award as outstanding back in the Ohio Conference and was named by his teammates as Muskingum's most valuable player.

The Muskies again led by Coach Bob Burkholder had a commendable 1958-59 season posting an overall record of 12-7 and finishing fifth in the conference with a 8-5 record. The fighting Muskies opened their 1958-59 season with an easy win over Western Reserve. The closest game of the year was the game with previously unbeaten Capital in which the Muskies triumphed 68-65. In beating Capital Muskingum also avenged last year's 65-64 loss. Muskingum also sought and gained revenge for losses to Denison and Geneva by triumphing 66-60 and 90-87 respectively. The Muskies journeyed to Bluffton during Christmas vacation to take part in the holiday tournament and came out on top winning their two games. Leroy Beil led the Muskie attack against Bluffton College scoring 22 points. He was ably supported by Larry Young and Dick McClelland with 18 and 11 points respectively.

The second night of the tournament found Muskingum playing one of its better games as it turned back Findlay 72-61. Larry Young headed the scoring this time for Muskingum with 24 points. Leroy Beil, Dave Irvin, and Dick CeCleveland were also in the double figures for the Muskies. It is interesting to note that although either Beil, Young, or Irvin, copped scoring honors in points. Leroy Beil, Dave Irvin, and Dick McClelland both scored high consistently and copped scoring honors at least one game apiece,

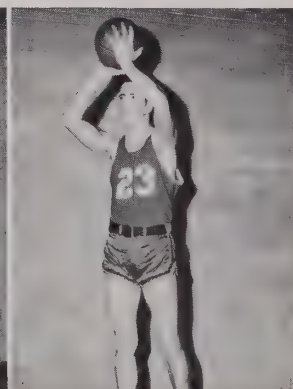

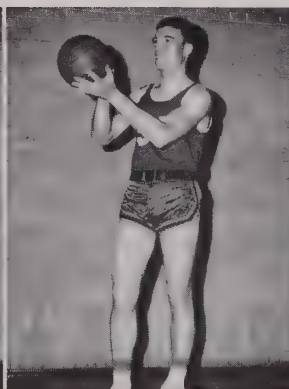

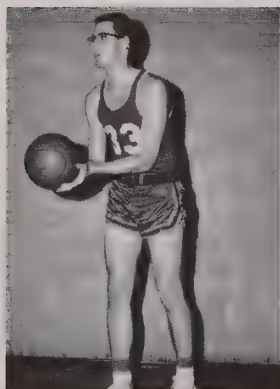

showing the balance of point distribution among the Muskies. Another note of interest is that not only the entire starting five but the entire team, with the exception of John MacMillan, who will be lost through graduation, will be back next year. Larry Young, 5-11, who sparked the team throughout the year was the only player under six feet tall. This illustrates that Coach Burkholder and his fighting Muskies will be something to watch in the near future.

Coming to the end of the second year of varsity wrestling, the Muskingum wrestling team completed an undefeated season. Marring a perfect record was a 12-12 tie with Wooster. The grapplers compiled a total of 178 points to their opponents 41.

Four Muskies, Cal Walker, Lloyd Smail, Andy Shinoski, and Phil Wenger, remained undefeated in dual meets.

With student support and interest initiated and a team comprised mostly of underclassmen, the future is promising for intercollegiate wrestling at Muskingum.

Varsity Swimming

Although the 1958-59 record for the Muskies looks far from impressive, the fact that Muskingum has a swimming team for the first time since 1943, when they won the Ohio Conference, should be noted.

The Muskie tankers were twice defeated by Wooster but showed improvement when they lost by a smaller margin the second meet which was at Wooster. Muskingum also lost to Akron but again showed improvement and great desire. The final meet with Wittenberg, one of the top powers in the Conference, proved that the Muskie tankers had improved still more as they went down to defeat, 62-23, and witnessed the setting of two new pool and school records at Wittenberg. As the team lost no one by graduation and the interest is very good, Muskingum may in the near future sport a swim team of which it can be justly proud.

Swim Club

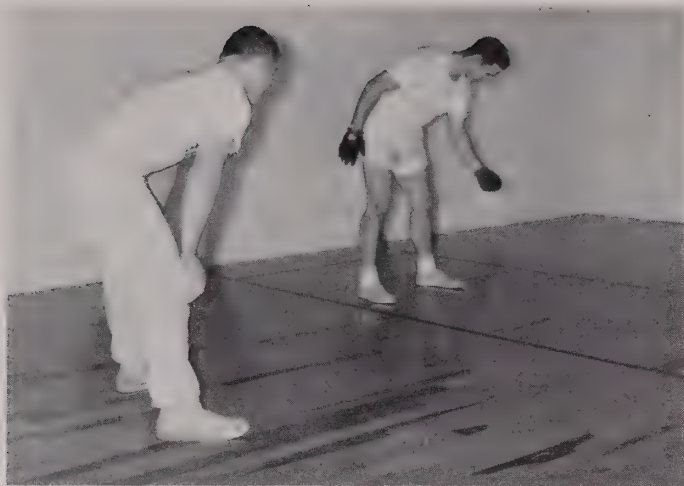

The evenings of December 9, 10, and 11, were the setting for this year's aquacade, "As Time Goes By". The theme, which follows a young couple through their senior year of college, is developed by stunts, pantomines, solo and duet numbers, and beautiful synchronized swimming.

The program's twelve scenes, one for each month of the year, included School Days, Autumn Leaves, Harvest Moon, White Christmas, Skater's Waltz, Sweethearts, Stormy Weather, April Showers, Waltz of the Flowers, Wedding March, Love Letters in the Sand, and Summertime. Co-chairmen Mardie Wertz and Betsy Will worked together with Miss Norma Dickson, the club's adviser, and Mrs. Ellenberger to produce the show.

Cheerleaders

This year's varsity cheerleaders, captained by Pegi Marshall, were chosen by the Student Council for their ability, vitality, and personality. At football and basketball games and at pep rallies, they did a tremendous job in arousing their fellow students with the spirit to support our school and our teams. They worked extra hard in promoting good school spirit. The freshman cheerleaders cheered at a few varsity football games and the junior varsity basketball games.

Left to right: B. Mugnani, F. Henderson, N. Sheritt, N. Matlack, S. Seidel.

The newly named Women's Recreation Association fosters interest and participation in women's sports and other recreational activities. One of the larger organizations of the school, the Women's Recreation Association provides equal opportunities for all girls to take part in all sports according to their preference. During the year the W.R.A. sponsors such events as play days with other colleges, square dances, and the annual May Day. All Muskingum women are eligible for membership which is based on a point system. Banquets are held in the spring and fall of the year for installation of new members and presentation of awards for those deserving merit.
